

# A Complete Payment Processing Center – Online, Anytime. That’s HM5Express.

The flexibility and reliability you need to grow your business – only from Host Merchant Services.

Imagine a payment processing system that lets merchants accept credit cards and signature debit cards – all through any Internet connection, with no terminal needed. With HM5Express, you don’t need to imagine it – you can have it today.

## More Payments = More Business

HM5Express, Host Merchant Service’s new payment gateway, puts control of your business’s payment acceptance into your hands, wherever you are – in your store, at your office, in your favorite coffee shop. And no matter how you access the Internet – desktop computer, laptop, tablet or smart phone – you’ll have the power to grow your business right at your fingertips.
