Our fastest, most customer-engaging point-of-sale (POS)

Engage your customers like never before with Station Duo. Run loyalty programs, contribute change to causes, capture contact information, accept mobile wallets and more.

Let them drive

Station Duo comes with a smart terminal for your customers. That means they can confirm their orders, enter their contact information for rewards and complete payments faster.

Accept various payment types

Let your customers pay how they want to pay. Swipe, dip or tap. Credit, debit or EBT. NFC payments including Apple Pay®, Google Pay®, WeChat Pay®, Alipay® and more.

Move at the speed of now

Station Duo is our fastest, most powerful POS system. From inventory and orders to managing your staff and running reports, it's all at your fingertips.

The smart and simple way to run your business

- Built-in Security – Help protect your business and customer information with end-to-end encryption and data tokenization, integrated EMV® chip sensors and fingerprint logins.

- 24/7/365 Support – You can't do it all on your own. When you need help, we've got your back.

Station Duo Highlights

- High-res displays for merchant and customer

- Integrated LTE for primary or fallback connectivity

- Our new high-speed printer that's fast and efficient

A smart POS system built for speed and simplicity

Tackle your daily traffic spikes without breaking a sweat. Station Duo is our fastest, most customer-engaging point-of-sale, designed for speed, security and engagement.

Meet (and reward) your biggest fans

The Station Duo smart terminal makes it easy to gather contact information and build lasting customer loyalty with built-in Clover Rewards.

Cut the counter clutter

One central hub for power and processing. One screen for you, one for your customers. And just one rate for your credit, debit and gift card payments.

Give back to your community

Give back to your community with charity apps that enable donations and change rounding at checkout, and strengthen the sense of doing good.
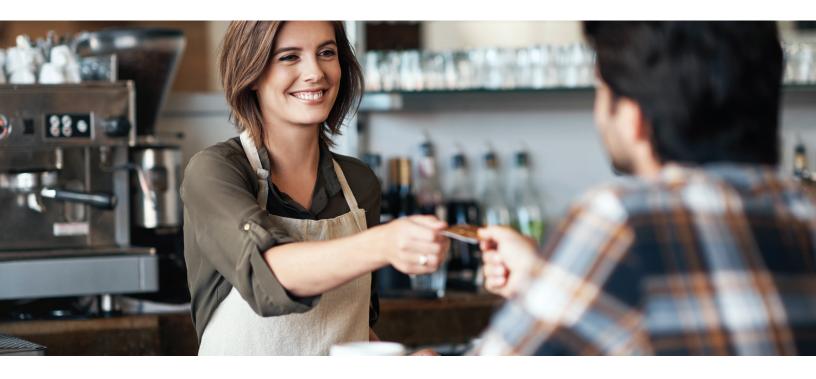

Business control at your fingertips

Access and manage your back-of-house data, reports and employee schedules anywhere you need to run your business. See the patterns and trends driving your sales and take a smarter approach to marketing.

Accept payments and manage your restaurant business with Clover Station Solo

A powerful, all-in-one restaurant point-of-sale (POS) device to manage your dine-in, take-out and delivery services

Clover® Station Solo provides the power you need to process guest payments, print receipts, track sales transactions, and run Clover's software to manage your restaurant business.

The convenience of all-in-one

Accept payments in-person or over-the-phone, enter and fire orders to the kitchen, print bills and receipts and access the Clover Dining software to manage your restaurant.

The power to run your business

Runs on a high-performance chip and the latest operating system to give you the speed you need.

Security built-in

Control access with roles and permissions, fingerprint login and two-factor authentication.
