

Vital® Select: The seriously smart point of sale.

If you're looking for a powerful tool to help you run and grow your business, Vital Select is a game-changer. With tools that enable you to understand things like employee performance, business cycles, and inventory turn, Vital Select helps you make the smart decisions.

Inventory Management

Get real-time data to better manage inventory expenses, maximize sales and help stay in stock.

Pricing and Discounts

Easily establish and manage price points and discount programs across products and locations.

Taxes and Tax Reporting

Set up, track and manage taxes for accounting procedures, and how they appear at the point of sale.

Customer Payments

Securely accept all payment types to help improve cash flow and profitability.

Employee Management

Track and manage time and attendance, understand staffing needs, and gain efficiencies.
